

# Hot Stuff!

inTouch WITH WHAT'S ON FIRE THIS WEEK

## A CUT ABOVE

Looking for an unforgettable dining experience in the heart of LA? **AB Steak** by Chef Akira Black is an upscale modern Korean barbecue that offers premium meat cuts that are dry-aged 30 days in a dedicated on-premise chamber and cooked on a smokeless, open grill tabletop. Start the night off with a delicious cocktail like the Paloma on 3rd (made with Patron Reposado, grapefruit juice, agave and lime juice) then move on to mouth-watering apps like the Shroom Fries (battered and fried shimeji and oyster mushrooms) and the Seafood Pajeon (scallion pancake, shrimp, mussels, squid with spicy soy sauce). For the main event, the Rib Eye and NY Strip rule. (absteakla.com)

## ISN'T IT GLOVELY

Get all your gardening done with a pair of **MISSION's Cool-Tech Work Gloves**. Made with VaporActive, heat-release technology that increases moisture removal rates, your hands will stay cool, dry and comfortable while digging in the dirt on a hot day. (\$9.99, mission.com)

## SNUGGLE STAPLES

Cooler temps are heading our way, so **The Titanic Store** has an array of items to keep you warm and snugly! The collection includes blankets and pillows, along with a teapot, cup and saucer set; *Titanic* English Breakfast Tea; and coffee from Belfast Company, which provided java to *Titanic's* passengers! (thetitanicstore.com)

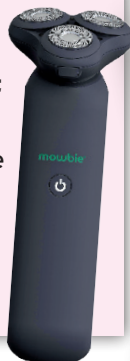

## ATTENTION SOAP OPERA LOVERS!

*Tune in Tomorrow* by Rande Dawn tells the story of Starr Weatherby, a struggling actress who accepts a major role on a show no one has ever heard of. Like any great soap opera, there are tons of twists and turns (Starr's predecessor goes missing!), and you will be hooked immediately. (\$16.99, barnesandnoble.com)

## SHAVING GRACE

If you need a gift for a special guy in your life, **Mowbie** has got you covered! The **Light Stimulation Rotary Shaver** gives a close, comfortable shave while simultaneously helping your skin. The blades contour to the shape of the face and feature blue LEDs to reduce the appearance of acne, and red LEDs to help rejuvenate the skin. Bonus: The rechargeable razor is waterproof and has a pop-up sideburn trimmer! (\$49.88, walmart.com)

Our Hottest Pick!

## FRESH & FRUITY

Keep the summer fun going with an easy and delicious two-ingredient cocktail from **Bartenura**! Simply take a couple of fresh or frozen blackberries and muddle them in a glass, then add chilled Bartenura Moscato – that's it! Garnish with more blackberries for an elevated, delicious drink! (@BartenuraBlue or bartenura.com)
