

## The New and Nostalgic at NYCC!

And so begins the gauntlet that is New York City Comic Con! This year we have some very special things happening. Including tea flavors both new and nostalgic.

Presenting an exciting tea collaboration with [Rande Dawn and her new book, Tune In Tomorrow!](#) Who doesn't love drama, reality tv shows, and the Fae?! This exclusive brownie flavored tea is limited release. She'll be signing her book Thu 5:30-7pm and Fri 5-6:30pm at Tea & Absinthe booth #1073 Come by and pick up this fun read and some free tea!

And introducing [Elder Goth](#), a clove infused tea, dark and sweet, inspired by our 90's clubbing nights in the Meatpacking District, hanging outside Mother/Click n Drag, the Bank, and more.

But it wasn't all black eyeliner and leather. We had our Mall days after school too. Our other new debut is [Mall Mixtape](#), a cucumber, aloe, and apple green tea. Bright and light, this tea reminds us of Saturdays at the mall with a slushy in our hand and a scrunchy in our hair checking out all the cute boys and girls.

So come to booth #1073 way in the back left corner of Javits! See you there!
